L'UNIONE ITALIANA  
(ITALIAN CLUB)

L'Unione Italiana was founded in 1894 and served as a cultural center for Italian immigrants, assisting them with entry barriers common to many immigrants, such as work, medical, burial and various social needs. Today, the Italian Club's mission is to restore its historic building, which remains at its original site in Ybor City, while also preserving our rich Italian culture and heritage in the Tampa community.
